& Northern Wyoming**

District 13 Optimist International

**2009 – 2010
District Directory**

(Revised: 12 August 2010)

“Get a Sense of Urgency ... Do It Now!”

An Optimist is...

a volunteer joining a group of civic-minded men and women banded together in the modern tradition for progressive thought and action in community service. Community service is their byword, objective and creed, recognizing that they must contribute something to the life of the community from which they and their families draw daily benefits. There is no greater opportunity for personal participation in community affairs and service than that to be found in an *Optimist* Organization. Each organization assures a position of strength and prestige through its affiliation with Optimist International, a federation of groups of like-minded *Optimists* throughout Canada, the United States and the World.

An Optimist does...

whatever needs doing in the community. If a need exists or if something will help the community, Optimists usually do something about it. Optimists joining together perform a wide variety of services to the Youth of their communities, thus our motto "**Friend of Youth.**"

An Optimist Volunteer is...

One, who develops Optimism as a philosophy of life,
One, who promotes an active interest in good government and civic affairs,
One, who inspires respect for law,
One, who promotes patriotism and works for the good of International accord and friendship among all peoples,
One, who aids and encourages the development of our Youth, in the belief that the giving of oneself is the service to others, will enhance the well being of humankind, community life and the world.

District Vision Statement:

The Alberta-Montana-Saskatchewan and Northern Wyoming District of Optimist International will be recognized as the premier volunteer organization that values all children and families and helps them develop to their full potential.

District Mission Statement:

Our mission is to foster an Optimistic way of life through a network of Alberta-Montana-Saskatchewan and Northern Wyoming members dedicated to the development of their full potential in order to provide service to the youth and the communities we serve.

Optimist International Mission Statement:

By providing hope and positive vision, Optimists bring out the best in kids.

The Optimist Creed

Promise Yourself-

- To be so strong that nothing can disturb your peace of mind.
- To talk health, happiness and prosperity to every person you meet.
- To make all your friends feel that there is something in them.
- To look at the sunny side of everything and make your optimism come true.
- To think only of the best, to work only for the best, and to expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past and press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.
- To give so much time to the improvement of yourself that you have no time to criticize others.
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

Optimist International

Dear Fellow Optimists,

I would like to thank each of you for dedicating the next 12 months to serving your Club and the children in your community.

Each time you recite our Optimist Creed, you “Promise Yourself” to strive for a new way of thinking, a new way of living each day. And these promises ultimately help each of us as we try to improve the lives of the kids around us. These promises help us as we soar to new heights in our Clubs, our Zones, our Districts and the organization as a whole.

As your President, I urge each of you to renew your promise to Optimism this year. This can be done in a number of ways.

- Bring a new level of energy to your leadership position this year.
- Set bigger goals for a favorite Club project, including the new Internet Safety program.
- Reach out and recruit a new Member, doing for another individual just what your own sponsor did for you.
- Or maybe it's time for the Members of your Club to collaborate in a new kind of project by starting a new Optimist Club or a new JOOI Club.

The opportunities for “Bringing Out the Best in Kids” are endless, and I encourage each of you to do your part this year.

Thank you for the dedication you bring to your Optimist Club and your District.

And always remember to “Promise Yourself ... for the Kids.”

Sincerely,

Mark Shriver
2009-2010 Optimist International
President

Dear Fellow District Optimists,

Welcome to an exciting Optimist year 2009-2010! It will be an honor for us to serve youth in our communities under the guidance of International President Mark Shriver who is a dynamic hard-working leader. Someone who inspires you to act but is also the friend at your shoulder helping to carry the load.

It will be an honor for us to further the stewardship of Past Distinguished Governor Doug Kirby who has worked hard to maintain this District's tradition of Distinguished status. This success is achieved only through the commitment and effort of all our members. Together you have made such a wonderful difference in the lives of so many children.

I am asking everyone to actively contribute to our District Goals:

- Provide conferences featuring additional practical and motivational training and information through an increased variety of speakers and formats, more entertainment, and more fun.
- Increase the effectiveness of the District in bringing helpful and timely resources to all clubs on a regular basis in both traditional and new communication formats, and from the clubs back to the District.
- Bring the success of Essay, Oratorical, PGI, Junior Golf, Childhood Cancer Campaign, CCDHH, Curling and the new Internet Safety into more clubs on a long term basis to help more kids.
- Increase our financial giving to the Optimist International Foundations of Canada and the United States through building stronger bonds with members, clubs and the Foundations and strengthening both as a result.
- To work closer with and grow more JOOI clubs.
- To build Friend of Optimist membership in all clubs through clearer presentation of the benefits and appeal of FOO members.
- To retain current members and add members and new clubs with an end result of a 6% net membership gain and the addition of 9 new clubs.

This year I ask you to keep up your good work and to try and do just a little more, to help your clubs grow in membership and activities, and to form many new clubs. The kids need us. Let's get a sense of urgency....and do it now! Promise yourself...for the kids!
