

## **Alberta-Montana-Saskatchewan & Northern Wyoming**

### **District 13 Optimist International 2011 – 2012 District Directory**

Effective October 11, 2011

***“Spiraling Upward”***

### **An Optimist is...**

a volunteer joining a group of civic-minded men and women banded together in the modern tradition for progressive thought and action in community service. Community service is their byword, objective and creed, recognizing that they must contribute something to the life of the community from which they and their families draw daily benefits. There is no greater opportunity for personal participation in community affairs and service than that to be found in an *Optimist* Organization. Each organization assures a position of strength and prestige through its affiliation with Optimist International, a federation of groups of like-minded *Optimists* throughout Canada, the United States and the World.

### **An Optimist does...**

whatever needs doing in the community. If a need exists or if something will help the community, Optimists usually do something about it. Optimists joining together perform a wide variety of services to the Youth of their communities, thus our motto "**Friend of Youth.**"

### **An Optimist Volunteer is...**

One, who develops Optimism as a philosophy of life,  
One, who promotes an active interest in good government and civic affairs,  
One, who inspires respect for law,  
One, who promotes patriotism and works for the good of International accord and friendship among all peoples,  
One, who aids and encourages the development of our Youth, in the belief that the giving of oneself is the service to others, will enhance the well being of humankind, community life and the world.

### **District Vision Statement:**

The Alberta-Montana-Saskatchewan and Northern Wyoming District of Optimist International will be recognized as the premier volunteer organization that values all children and families and helps them develop to their full potential.

### **District Mission Statement:**

Our mission is to foster an Optimistic way of life through a network of Alberta-Montana-Saskatchewan and Northern Wyoming members dedicated to the development of their full potential in order to provide service to the youth and the communities we serve.

### **Optimist International Mission Statement:**

By providing hope and positive vision, Optimists bring out the best in kids.

## ***The Optimist Creed***

### **Promise Yourself-**

- To be so strong that nothing can disturb your peace of mind.
- To talk health, happiness and prosperity to every person you meet.
- To make all your friends feel that there is something in them.
- To look at the sunny side of everything and make your optimism come true.
- To think only of the best, to work only for the best, and to expect only the best.
- To be just as enthusiastic about the success of others as you are about your own.
- To forget the mistakes of the past and press on to the greater achievements of the future.
- To wear a cheerful countenance at all times and give every living creature you meet a smile.
- To give so much time to the improvement of yourself that you have no time to criticize others.
- To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.

**My fellow Optimist,**

This is the year "it" is finally going to happen! So what is "it," you are asking?

My reply is quite simple. GROWTH! That is what we are and must be all about for the foreseeable future. For far too long now, we have suffered under the burden of negative growth. Shrinking numbers mean financial problems, fewer projects and, finally, less service for our young people. Not a pretty picture.

These are certainly not any of the reasons you or I joined this great organization!

The group of leaders and Members who have come together this year have rededicated themselves to making us grow! No longer will you hear, "We can't," but rather, "What can I do to make 'it' happen?"

Now that you know and understand just what your job is (growth), we need to tell you where your resources and support are going to be coming from.

Our staff in St. Louis and Montreal stands ready to guide and direct you. Our website is just filled with information for your use. Also, never forget to call upon the current or, for that matter, the past leaders of our organization. All stand ready to serve.

Our theme this year, "100% and then some," really says it quite nicely. It is, after all, that little bit of extra effort that will make all the difference.

"And then some" will make this the year others will talk about for years to come.

I ask of you most sincerely, step forward today so that tomorrow there will be an Optimist to hear a child's call for help.

100% and then some ...

A handwritten signature in black ink, appearing to read "Jack Creswell".

Jack Creswell  
2011-2012 Optimist International  
President

### District Goals to Bring Out the Best in Kids!

International President Jack Creswell encourages all Optimists to do "100% and then some!"

Whatever we do and how we do it must always result in raising kids to a new level. We simply cannot give just 50% or 90% as our goal and accept it. 100% and then some must be the operative.

The time has come; 2011-2012 is the time for change. We must move forward with the groundwork that has been laid from past governors to move forward toward "***Spiraling Upward***" into the future.

How do we do that?

1. Review, reflect, debate, and embrace the new generation who have the willingness and the energy to facilitate change.
2. We must review our organizations, including how the District does business. Each Club should set aside time to review their mission statement and the programs that are ongoing, and then ask questions that encourage debate about the future needs of the local community. Reflect on the great things the Club has accomplished. We all need to know that what we are doing is indeed making a difference in kid's lives.
3. It is difficult for me to learn a new language, and maybe you as well. But we all must learn to bridge the communication gap between the older members and those just chomping at the bit to propel Optimism and Optimists into the future.
4. Let's all do a media blitz. Shout about the town, "**THIS IS WHAT WE DO!!**" Come join our Optimist group and help us develop new programs, help with existing programs, and you will "Bring Out the Best in Kids."

I get goose bumps just thinking about how we can make a difference. We can "Bring Out the Best in Kids." We can create a "***Spiraling Upward***"!!

Ted Huber  
2011-2012 District Governor  
Alberta, Montana, Saskatchewan & Northern Wyoming
